5. About EACH

The European Association of CCP Clearing Houses (EACH) represents the interests of Central Counterparties Clearing Houses (CCPs) in Europe since 1992. EACH currently has 19 members from 15 different European countries and is registered in the European Union Transparency Register with number 36897011311-96.

CCPs are financial market infrastructures that reduce and manage the risk in financial markets transactions. CCPs cover potential forward-looking risks through robust risk management tools. CCPs have been recognised by global regulators as institutions that successfully contributed to reducing the impact of the recent financial crisis.
